

affidavits, powers of attorney, and living trusts. Remote online notarizations allow the consumer, the notary, and other parties to a transaction to be in different locations using two-way, audiovisual communication to securely notarize documents.

This process provides consumers and businesses with much-needed flexibility. This is the key.

Remote online notarization allows flexibility for people who are chronically ill or immobile, for parents who can't get away from work or taking care of children, for servicemembers abroad seeking to buy a home or correct their wills.

I know well the impact this bill could have for notaries public across the country. When I served as a State representative, most members of our team were notaries and our office served as a notary hub for the local community. We learned firsthand how many people struggled to find time for appointments often because of childcare, transportation, or because of poor health.

Remote online notarization would have allowed us to streamline our performance and better provide service to our community.

Last Congress, as has been stated, this bill was cosponsored by more than 120 Members and passed the House by a vote of 336-90. It is supported by a coalition of 20 industry partners. Simply, it is a commonsense piece of legislation.

Mr. Speaker, I thank Chair McMORRIS RODGERS and Ranking Member PALLONE for their support for this bill and for bringing it to the floor.

Finally, I thank the lead on this legislation, Congressman KELLY ARMSTRONG, for all his hard work and good humor as we work to get this bill across the finish line, as well as the work of his staff in helping make this a strong piece of bipartisan legislation.

Mr. Speaker, I urge all my colleagues to support this bill.

Mr. BILIRAKIS. Mr. Speaker, I have no other speakers, and I reserve the balance of my time.

Mr. PALLONE. Mr. Speaker, I would urge support for this bill. Once again, it did pass the last time in Congress. We hope we can get it to the Senate. It is important to have a nationwide standard for notarization.

Mr. Speaker, I yield back the balance of my time.

Mr. BILIRAKIS. Mr. Speaker, again, this is commonsense legislation.

I have some experience in this area, as does Mr. ARMSTRONG and Ms. DEAN, as well. It is efficient and safe for the public, and we need a national standard.

Mr. Speaker, I urge my colleagues to support this particular bill, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Florida (Mr. BILIRAKIS) that the House suspend the rules and pass the bill, H.R. 1059.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill was passed.

A motion to reconsider was laid on the table.
